Docket No. 98N-1265

2215 99 MAY 18 P12:01

Food and Drug Administration

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

Please do not deprive me of the right to purchase medication that is beneficial to my health. My body will not tolerate synthetic hormones and prescriptions from Madison Pharmacy have been a God send. They have improved the quality of my life immensely and it would be awful to have them taken from me.
